## TIE BREAKER INFORMATION

TOPIC	iHOOP NATION RULE
Two Teams Tied	In any situation where two (2) teams are tied, head-to-head competition between the teams will determine the winner.
Three or More Teams Tied	<ul style="list-style-type: none"><li>➤ If more than two (2) teams tie, a point differential tiebreaker will be applied. The point differentials of the teams involved in the tie are totaled. Teams are then ranked according to the sum of the point differential - with the highest number placing above the second highest point total and the third highest point total next. (The maximum that you can beat a team and still gain an advantage is 15 points.)</li><li>➤ If there are more than two (2) teams still tied after points are added, defensive points will be added, and lowest total ranks a team higher. If two teams are still tied after defensive points are added, rule #1 will take effect.</li><li>➤ If two (2) teams are still tied after the application of the formula, go back to rule #1 to break the tie.</li><li>➤ If there are still more than two teams tied, a three-way flip of the coin will determine team placement</li></ul>
Forfeits	Score of all Forfeits will be 15-0
